

The Future of Canada's Capital Markets: Where do we go from here?

The Canadian economy will grow as the pandemic eases. But capital formation is still challenged, and fragmentation of securities regulation continues.

Join our online discussion to hear leading experts offer their insights on how to bolster Canada's capital markets in the face of challenges and opportunities ahead.

The roundtable will be moderated by **Barry Campbell** (Campbell Strategies), with **Walied Soliman** (Chair, Capital Markets Modernization Taskforce), **Diane Kazarian** (PwC Canada), **Kathy Butler** (CIBC Capital Markets), **Stéphane Rousseau** (Université de Montréal) and **Mark Carney** (Brookfield Asset Management).

Tuesday, May 25, 2021, 11:00 a.m. - 12:30 p.m. ET
